

### Recommendation for Great Coates Motors

I would like to say thank-you to Allan McCartney and the staff at Great Coates Motors for your help over the last twelve months.

I have had a number of problems with both my own car and my wife's, which I have never experienced before and would be lost as to how to resolve the issues.

On each occasion Allan has accommodated us on the days the problems occurred and kept us mobile, which also means keeping the business going.

Thanks Allan for an unrivalled service which I am sure will serve you well now and in the future.

Best Wishes
